BroadLight to Speak at TWP Technology & Telecom Conference 2010

February 5th, 2010 – Santa Clara, Calif. – BroadLight, the leading supplier of Ultra-Broadband Residential Gateway and GPON semiconductors today announced that Raanan Gewirtzman, CEO, will be speaking at Thomas Weisel Partners (TWP) Technology & Telecom Conference 2010 on February 8th, 2010.

About BroadLight

BroadLight is a fabless semiconductor company supplying semiconductor devices and solutions to equipment vendors for FTTH and Ultra Broadband applications around the globe. Its technology spans from optical access to home networking which enables the delivery of highly integrated, low-cost, end-to-end (E2E) solutions from the central office to the customer premise. As a result, BroadLight is the leader in GPON semiconductor devices and software and is currently powering most of the world's largest PON deployments.
